Massive Quantum (Pty) Ltd

**FEEDBACK: BID19/1/9/1/119TT(16): PROCUREMENT OF PRODUCT SP-102 S4GA:
PORTABLE LANDING LIGHTS: SAPS AIR WING: SECTION AIR WING**

1. This office confirms the procurement of product SP-102 S4GA: Portable Landing Lights for SAPS Section Air Wing.
2. The product manufactured by Solutions4GA LLC is of very high standard.
3. The landing lights are easy to operate and to install for both fixed wing and helicopter aircraft landing zones.
4. The Pilots are very impressed on the product and the easy utilization of it

To Whom It May Concern,

On behalf of the South African Police Services I wish to confirm that **Massive Quantum (Pty) Ltd** has successfully supplied and delivered Helicopter Portable Landing Lights to the South African Police Services.

The service which we received from **Massive Quantum (Pty) Ltd** was exceptional and the Landing lights, manufactured by **Solutions4GA LLC** was of extremely high quality.

The landing lights are easy to install and operate for both fixed wing and helicopter landing zones, and require virtually no maintenance.

We would highly recommend the product **SP-102 S4GA Portable Landing Light Unit** and service received to all new customers.
